PYONGYANG CIVES LITTERACY TESTS

One of a series of national examinations sponsored by the Hankol (Korean elphabet) School and the Short Course Adult Education School, to test the literacy of North Korean adults, was conducted in Pyongyang on 22 and 23 March 1949.

All illiterate dults Those having no knowledge of the Chinese characters 7 in the city took the first type of test given by the Hankol School. Those who passed this test, which was the last of the series given in this city, numbered 2,205, or 99.3 percent of the number who took the test. The percentage of those who passed the test, according to city districts is as follows:

<u>District</u>	<u>Percen</u>
Central	98.5
Eastern	99.5
Western	99.8
Southern	100.0
Northern	99.1

The result of the higher level literacy test given to the city's merchant group by the Adult Education School is as follows:

Categories of test	No taking test (\$) (Anticipated no equals 100)	No passing test (%)
Elementary	105	98.5
Intermediate	105	98.0
Advanced	101	98.0
